I am "readily familiar" with the County's practice of collection and processing correspondence for mailing. Under the practice it would be deposited with the U.S. postal service and/or interoffice mail on that same day with postage thereon fully prepaid at Auburn, California, in the ordinary course of business.

I declare under penalty of perjury the laws of the State of California that the above is true and correct.

Dated and executed at Auburn, California on October 10, 2007.
